

HARM REDUCTION & SYRINGE SERVICES PROGRAMS

Public Health, Law Enforcement and Local Perspectives

Thursday, Jan. 10, 2019

11:00 a.m. – 1:00 p.m.

1905 Health Sciences Center – North

Three experts will discuss the ongoing opioid crisis and approaches to combatting epidemics related to intravenous substance use. The panelists will provide multiple perspectives – medical, law enforcement and community impact – about harm reduction initiatives and, specifically, syringe services programs.
