PRESIDENT'S MESSAGE

I am thrilled and honored to serve as President of the WVU School of Medicine Alumni Association for 2023, and I bring greetings from the Executive Council and staff. I read that you have 15-30 seconds to make an impression and that you should try to make your audience laugh, attempt to inspire them, or focus on what leaves a lasting impression. Let me tell you briefly why the School of Medicine continues to inspire me!

I have served in many roles at WVU, in administration and Family Medicine, and at state and national levels. I realized we are pioneers in many areas of education, service, and research. In our typical Mountaineer way, we have not bragged about our

accomplishments, we were just quietly going about business. This year I plan to emphasize "Involvement and Information" and break some of that "humble" mold. I hope to tout new and exciting things we do and renew your pride and connection with the School of Medicine through our Alumni Association. Check out our websites that are constantly being updated to see some of these activities. <https://medicine.hsc.wvu.edu>; <https://medicine.hsc.wvu.edu/alumni>; and <https://medicine.hsc.wvu.edu/md-student-services>.

2023 is lining up to be a great year! We have a new Executive Council that is teeming with energy, enthusiasm, and ideas and an office staff like no other! Plans are being put into place for the White Coat Ceremony, Match Luncheon, Graduation, Medical Student Orientation and Alumni Weekend. All these activities and more involve the Alumni Office. We are here to serve! Frankly, we need your help in keeping our Alumni Association robust and energized. We want your membership and input for new ideas and projects. We need new members on our committees, and there is always a need to help support student scholarships.

Coming soon is our White Ceremony in March. Consider sponsoring a student's coat and be a part of the ceremony and reconfirm your Hippocratic oath. This program marks an important stage of the career development of our students and the ceremony is so meaningful to them.

Until next conversation, I send my best wishes for a Happy and Healthy 2023!

AWARDS

PATRICE A. HARRIS
CLASS OF 1992

Patrice A. Harris, MD, MA, grew up in Bluefield, West Virginia, and dreamed of entering medicine at a time when few women of color were encouraged to become physicians. She entered WVU and earned a BA in psychology, an MA in counseling psychology and, ultimately, a medical degree (MD). It was during this time that her passion for helping children emerged, and she completed her psychiatry residency and fellowships in child and adolescent psychiatry and forensic psychiatry at the Emory University School of Medicine. She also served as the senior policy fellow at the Barton Child Law and Policy Center at the Emory University School of Law.

Dr. Harris, a board-certified psychiatrist from Atlanta, Georgia, is the CEO and Co-Founder of eMed, a digital healthcare company. She has experience as a private practicing physician, county public health director and patient advocate. She has expertise in public policy on both legislative and regulatory fronts and at all levels of government. She is a visiting professor of psychiatry at the Columbia University Vagelos College of Physicians and Surgeons and serves as Chief Health and Medical Editor of Everydayhealth.com.

2022 DISTINGUISHED ALUMNUS

In 2019 Dr. Harris was elected the 174th President of the American Medical Association, the first African American woman elected to that position. She led the AMA's efforts to end the opioid epidemic and served as chair of the AMA Opioid Task Force from its inception in 2014 to 2021. Dr. Harris led the Task Force as it worked across every state to eliminate barriers to treatment, provide patients with access to affordable, non-opioid pain care, and fight the stigma faced by those with substance use-disorders.

Two themes have governed Dr. Harris's professional life, a passion to improve the lives of children, and service to others. A recognized expert in children's mental health and childhood trauma, Dr. Harris has led efforts on both local and national levels to integrate public health and behavioral health into overall healthcare, and to address inequities and the social determinants of health.

Dr. Harris is a highly sought-after speaker at national and international conferences and has given invited lectures and presentations on COVID-19, children's mental health, childhood trauma, integration of mental health into overall health services, health equity, health policy and the intersection of athletics and health. She has been a guest expert on multiple national radio and television networks including CNN, MSNBC, Fox, and NPR. Dr. Harris has received numerous awards in recognition of her service and leadership. We are proud to award this outstanding Mountaineer the WVU School of Medicine Distinguished Alumnus Award.

ASSOCIATION AWARDS AT 2022 AWARDS CONVOCATION

WVU School of Medicine Alumni Association awards presented at the 2022 School of Medicine Awards Convocation in May.

DAVID Z. MORGAN MENTOR AWARD

The David Z. Morgan Mentor Award is given each Spring to a clinical faculty member whose teaching inspires students to develop “qualities needed for competent and compassionate physicians.” This person is chosen by residents at WVUH, CAMC and Eastern Division who graduated from the WVU School of Medicine.

The 2022 recipient was Kelly Gannon, MD, Class of 2009, Assistant Professor and Associate Section Chief, Internal Medicine.

PERCIVAL L. MACLACHLAN BASIC SCIENCES AWARD

The Percival L. MacLachlan Basic Sciences award was established in 1960 by Michael J. Moore, MD and perpetuated by the Class of 1946 in memory of Percival L. MacLachlan, PhD (1907-1948), WVU Department of Biochemistry 1936-1948. This award honors a faculty member for excellence in teaching the basic medical sciences. The recipient is chosen by the fourth-year medical students.

The 2022 recipient was Mark Paternostro, PhD, Professor and Associate Chair of Education, Department of Physiology and Pharmacology.

PRESIDENT'S YOUNG ALUMNUS AWARD

The President's Young Alumnus Award was established in 1995 by the Alumni Association. Selection is made by the Alumni Affairs Office staff with input from the Alumni Association president. It is given annually to recognize a senior medical student who has demonstrated outstanding alumni characteristics to his/her peers, medical school and alumni staff through actions and service.

The 2022 recipient was Georgia Vasilakis, MS-IV. Dr. Vasilakis is currently a first year internal medicine resident at UPMC.

THANK YOU

We appreciate the generosity of West Virginia University Hospitals Inc., Albert Wright Jr., President & CEO and our many special members and friends for their gifts to the Alumni Association to support our endowment for the future, the White Coat Ceremony, stethoscope project, scholarships and programs for the year 2022.

YOUR MEMBERSHIP MATTERS

Drs. Marc and Amy Yester, Class of 2006

WVU's School of Medicine has meant so much to my life. They committed to me and the belief that I could be a successful physician. They placed me in a group of like-minded individuals where I would not only meet my wife, but also find

my closest friends. They created an environment where I felt supported and challenged. Most importantly, WVU School of Medicine prepared me for residency and my future career.

My wife Amy and I chose to be members of the Alumni Association because it is an easy way to support the mission of the medical school, and to help the current students. We know that our money is going directly to this new generation of WVU physicians in the form of scholarships, meaningful gifts (stethoscopes, white coats, etc.), and so many other daily acts of kindness.

Through membership in the WVU School of Medicine Alumni Association, we can stay engaged with the institution that has done so much for us, while we pay it forward to future WVU Docs. **JOIN US** . . . there is strength in numbers.
