Courtney Brown, APRN - Cell:7242635424
Megan Przybrowski, PA-C – Cell: 8149399012

CONFERENCES/EDUCATIONAL:

• In preparation for the rotation you are expected to:

- Watch the following Videos for the commonly performed bariatric operations:

Sleeve Gastrectomy:

<https://youtu.be/AndCyUUt378>

Gastric Bypass:

<https://youtu.be/SxEckPB0e3M>

Duodenal switch:

https://youtu.be/K6u9_meo-YI

Bariatric Surgery Complications:

<https://youtu.be/Ndam7ywTfoc>

- You are expected to practice Laparoscopic suturing and advanced Laparoscopic skills in the Sim lab prior/ during the rotation Dr. Szoka & Dr. Abunnaja will be willing to help and supervise typically after the scopes on Thursdays.
- You will be assigned a topic or an article to review then prepare & present a 10 minute presentation at our Bariatric Board meeting the second Wednesday of the month at 3 PM.

TYPICAL WEEKLY SCHEDULE

- Monday/Tuesday/Friday: OR days.
- 1st and 3rd Wednesdays OR days once done with resident's didactics. The rest of the Wednesdays are clinic days.
- Thursdays: Scopes in the morning – Sim lab & clinic in afternoon. Except for the Third Thursday of the months is also an OR day.

ROUNDING

- You are expected to round and write notes for all the patients on the service.
- If the service is busy, you should coordinate & divide patients with the PA/NP but still make sure to see & write notes for the patients you operated on.
- You should update each attendings after AM rounds Via text.
- Do afternoon rounds & every OR patient needs a postop check with a brief note, for late OR cases sign out the postop check to on call resident.
- You are expected to see all the daytime new inpatient or ED consults and staff them with attending on call. If the patient belongs to a particular attending and is not urgent you can staff it with him/her.

TIPS FOR SERVICE:

- Contact the Midlevel providers at the beginning of your rotation for help with order sets – All attendings use the same order sets.
- On Endoscopy days you are expected to do H&Ps and consents. Attending will do the procedure notes. You don't need to do the discharges.
