2023 ALUMNI ASSOCIATION **MEMBERSHIP ROSTER**

MARCH 2024

PRESIDENT'S MESSAGE

MARC YESTER MD, CLASS OF 2006

Hello to all my fellow Mountaineer physicians! I am excited to take over the position as Alumni Association President after serving the last few years on the Alumni Executive Council. My wife and I joined as Life Members of the Alumni Association shortly after leaving medical school, but the opportunity to serve and reconnect directly to the Alumni Association has been amazing. It is incredible to see how much has changed over the last 20 years. Both the physical transformation of the campus (How did they get the Pylons indoors?!?), and the modernization of medical school education.

I am in awe of the continued advancement and innovation with the new programs:

- A state-of-the-art simulation center for hands-on education with a focus on patient safety and better prepared physicians
- Mountaineer Accelerated Track to Enter Residency (MATTER) to improve retention of talent while minimizing student debt

- Expanded research, particularly in the areas of neurosciences and addiction
- Major upgrades with hospital facilities, with the cardiology and children's hospital towers

Inspired by the WVU School of Medicine's hard work, alumni can further the mission of our alma mater. We were once the students persevering toward graduation so we can empathize with the struggle. But now with rising costs and new challenges of entering the field of medicine, our support is needed more than ever. A major focus has been the development of more scholarships and financial support. Just this year, Dr. Anne Cather and her Class of 1983 developed a hardship fund to support students in emergency situations such as health, housing, and food needs.

Beyond scholarships, financial support, and Alumni Weekend festivities, your Association supports these traditional ceremonies for students:

- Oath of Integrity Ceremony and presentation of stethoscopes
- White Coat Ceremony and recitation of the Hippocratic Oath
- Match Day
- Graduation

Now is our opportunity to pay forward that same support we received while we were students. I hope you'll join me as a member of the School of Medicine Alumni Association in supporting these important programs for students, by sponsoring a stethoscope, a white coat, or by contributing to a specific scholarship. We have strength in numbers.

LET'S GO!

Marc Yester, Class of 2006

EXECUTIVE DIRECTOR RETIRES AFTER 40 YEARS

Lynda Nine, executive director for WVU Health Sciences Alumni Affairs and director of School of Medicine Alumni Affairs, retired effective Dec. 31 after 40 years at WVU. Throughout her career, she created the alumni program and developed it into an Association of American Medical Colleges award-winning initiative.

Her efforts include collaborative implementation of on-campus events in recognition of important milestones for current students and alumni, including white coat ceremonies, a research induction ceremony, graduation brunch, award programs, family orientation program and alumni weekend. She also assisted in planning regional alumni dinners to help Mountaineers living outside Morgantown connect with their peers.

For the campus community and visitors alike, her impact can be seen in the Health Sciences Center Pylons Commons through the William A. Neal Museum of the Health Sciences and Cavanaugh's.

Dedicated in 2022, she was instrumental in bringing the late Dr. William Neal's vision to life with the creation of a museum that highlights West Virginia's groundbreaking innovations and discoveries, chronicling breakthroughs from the frontier days in West Virginia to WVU's modern advancements.

Cavanaugh's, a coffee shop, was dedicated in 2007 and named for Elise Cavanaugh who owned and operated a cafeteria in the original Basic Sciences Building from 1958-1973. Lynda was the driving force behind the shop to recognize a special person who through her unselfish concern for others and her personal sacrifice made life a little easier for those at WVU's Health Sciences Center.

Lynda also shared her expertise with others outside the University, including serving as a consultant for Temple University through its development of a School of Medicine alumni program and organizing a South Region Association of American Medical Colleges Group of Institutional Advancement annual conference in Charleston, South Carolina.

"We are so grateful for Lynda's many years as a loyal supporter and leader of our health sciences students, alumni and programs," Clay Marsh, MD '85, chancellor and executive dean for WVU Health Sciences, said. "She is one of the most dedicated individuals I've known, and her legacy will continue to help us build the relationships and bonds that will carry us into the future."

Below is one of many special notes of gratitude Lynda has received since retirement. Those who would like to share well wishes with Lynda may do so via email - alumni@hsc.wvu.edu

"I wanted to reach out and say thank you for your service to the university and to us students. You may not remember me, but I certainly remember you and your impact from our ExPhys, PhD, and MD orientations as well as the alumni tailgates, dinners, award ceremonies, and other gatherings.

From undergrad up to this point I have been with WVU School of Medicine for 11 years, and the joy and enthusiasm that you and the rest of the Alumni Affairs office have given us at crucial points in our academic career is very much appreciated. You will be dearly missed, and I wish you a very happy and exciting retirement!"

All the best, Kent L Marshall, MD/PhD Candidate
